**Armada Hoffler Commits To eCMS v.3.7.0 Solution**  
*ENR Top 400 Customer Recommits To Long-term Partnership*

Scottsdale, Arizona – April 21, 2011 – Computer Guidance Corporation, the leading developer of construction financial and project management software solutions for architecture, engineering and construction companies, today announced that Armada Hoffler subscribes to Hosted eCMS solution.

“Our corporate commitment to exceed expectations on every project, every time has been supported by Computer Guidance’s construction management solutions for many years, and our company has profited from the benefits it delivers.” stated Michael P. O’Hara, Chief Financial Officer, Armada Hoffler.  
“Technology solutions continue to play a key role in our corporate strategy.”

A Computer Guidance customer since 1995, Armada Hoffler is recognized for quality, flexibility, service and integrity, which has served as the cornerstone of their business since their founding. Consistently ranked among the Engineering News-Record Top 400 Contractors, Armada Hoffler is one of the largest commercial real estate development and construction companies.

“Our customers continue to embrace our Hosted eCMS solution due to its flexibility and ease of implementation.” stated Roger D. Kirk, President/CEO, Computer Guidance Corporation. “Hosted eCMS provides our customers with the latest features and functionality while minimizing their IT expenses.”

**About Computer Guidance Corporation**

Since 1981, Computer Guidance offers the most complete, proven and reliable construction management solution for architecture, engineering and commercial construction companies. Computer Guidance’s eCMS solution provides financial accounting and project management applications supported by advanced business intelligence and innovative productivity tools. eCMS is recognized as the solution of choice for top general and specialty contractors in the CFMA Information Technology Survey and has been selected by the Associated General Contractors of America (AGC) as the construction management solution of choice for its members nationwide since 2010. Computer Guidance customers are recognized among the Top 400 Contractors and Top 50 Contractors by Engineering-News Record (ENR). Computer Guidance is a strategic technology partner with IBM Corporation, providing a solid technology foundation for both its hosted and enterprise solutions.
