**Rocky Mountain Fiber Plus, Inc. Upgrades To eCMS v.3.7.0 Solution**  
*Telecommunications Contractor Embraces Hosted eCMS Solution*

Scottsdale, Arizona – April 28, 2011 – Computer Guidance Corporation, the leading developer of construction financial and project management software solutions for architecture, engineering and construction companies, today announced that Rocky Mountain Fiber Plus, a specialty contractor with emphasis in telecommunication services located in Kiowa, Colorado, subscribes to Hosted eCMS solution.

“Over the past twelve years, Computer Guidance’s construction management solutions have supported our financial accounting operations.” stated Jesse Hill, Chief Executive Officer and Owner, Rocky Mountain Fiber Plus, Inc. “When it became time to further evolve our technology infrastructure in support of our growing business, we decided to remain with Computer Guidance based on a long-time partnership with excellent service.”

“Customers such as Rocky Mountain Fiber Plus are the backbone of our business.” stated Roger D. Kirk, President/CEO, Computer Guidance Corporation. “Their commitment to our solutions has driven Computer Guidance’s success for the past thirty years and will continue to do so as they renew their partnerships.”

**About Computer Guidance Corporation**

Since 1981, Computer Guidance offers the most complete, proven and reliable construction management solution for architecture, engineering and commercial construction companies. Computer Guidance’s eCMS solution provides financial accounting and project management applications supported by advanced business intelligence and innovative productivity tools. eCMS is recognized as the solution of choice for top general and specialty contractors in the CFMA Information Technology Survey and has been selected by the Associated General Contractors of America (AGC) as the construction management solution of choice for its members nationwide since 2010. Computer Guidance customers are recognized among the Top 400 Contractors and Top 50 Contractors by Engineering-News Record (ENR). Computer Guidance is a strategic technology partner with IBM Corporation, providing a solid technology foundation for both its hosted and enterprise solutions.
